IAM negotiations update – opening the main-table dialogue

Boeing and IAM negotiations leaders met today to open our main-table discussions. We listened to the union's ideas and are carefully considering the issues they raised. We are looking forward to our meetings tomorrow. This is part of our continuing dialogue in what already has been a very active negotiations process.

If you or any of your employees have questions, our Negotiations Call Center will be open from 6 a.m. to 6 p.m. Pacific time beginning Friday. The phone number is: 866-725-2180. You may also send an email to ERPugetSound@boeing.com. This contact information is also on our Web site: www.boeing.com/2008negotiations.
