June 15–21: Paris Air Show. Paris. See www.paris-air-show.com

ST. LOUIS ELECTRONICS RECYCLING EVENT SET

Boeing Employees for Environmental Protection (BEEP), a Boeing-sponsored club in St. Louis, will conduct an electronics recycling collection event on Sept. 11.

Unwanted electronic equipment can be dropped off from 7 a.m. to 9 a.m. and from 2:30 p.m. to 4:30 p.m. at either the 270G parking lot (across Campus Parkway from the 270 building) in St. Louis or the 505H parking lot in St. Charles, Mo. Please note that a Boeing employee badge is required to reach the St. Charles dropoff location—but not for the St. Louis dropoff.

BEEP is partnering with Web Innovations and Technical Services (WITS), a St. Louis-based nonprofit corporation that specializes in reuse and recycling of electronic equipment, for this event. WITS charges a donation of \$10 for each television and \$5 for each monitor, laptop and microwave oven; all other electronics items are taken for free. Please note that this event is for personal items only—and not for Boeing-owned equipment. WITS cannot accept anything with a Boeing property sticker.

BEEP and WITS conduct collections in March, June and September. For more information about BEEP, visit <http://beep.stl.mo.boeing.com/aboutBEEP.jsp> on the Boeing intranet. To learn more about WITS, visit www.witsinc.org.
